Regional Operations Center
Salt Lake City, UT*

WEATHER KEY POINTS

04/26/21 - 05/02/21

Monday

- Showers will continue on Monday, especially in the mountains, but impacts will generally decrease through the day.
 - Some minor travel impacts are possible in northeastern CA mountains Monday.
- Gusty winds 45-55 mph are expected across the southern California mountains Monday afternoon and evening, especially for the San Diego County Deserts

Tuesday-Sunday

- Other than isolated lingering showers Tuesday, drier and warmer weather will develop statewide for much of the work week.
- Minor heat impacts are possible in the southern desert areas for Friday and Saturday
